Sir:

**REQUEST FOR REISSUANCE OF CERTIFICATE OF CORRECTION**

Pursuant to 35 U.S.C. § 255, and 37 C.F.R. § 1.323, this is a request for reissuance of a Certificate of Correction in the above-identified patent. On March 6, 2006, Applicants filed a Request for Certificate of Correction requesting that the word "trifluoromethyl" be corrected to read "trifluoromethyl." Applicants received a Certificate of Correction from the Office incorrectly changing the spelling of "trifluoromethyl" to "triflourmethyl." Applicants, therefore, request that a new Certificate of Correction be issued with the correct spelling of the word "trifluoromethyl."

The error identified in the appended Form occurred through the fault of the Patent Office, as clearly disclosed by the records of the application which matured into this patent.

Two (2) copies of PTO Form 1050 are appended. The complete Certificate of Correction involves one (1) page. Issuance of a Certificate of Correction containing the correction is earnestly solicited.

Please charge any required fees not included herewith to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
